

Possible sources of near-term State & Federal Category III funding

Program	Amount
USACOE Sec. 1135 matching funds	2.5 million
Wildlife Conservation Board grant	1.0 million
USEPA Grants	0.5 million
Calif Habitat Conservation Fund grant	0.5 million
Total	4.5 million

- Note: these sources are grants awarded through a competitive application process.
- True “reprioritization” of state/federal funds will require critical, objective analysis of current agency programs and might require legislative action.
